Municipality

NILLUMBIK SHIRE

Level of significance

Heritage Inventory Site

Heritage Inventory (HI) Number

H7922-0216

Heritage Listing

Victorian Heritage Inventory

Interpretation of Site	Heritage Inventory Interpretation: The sites size and location suggested it might have been a miner's residence. Although no artefacts were found to assist identification, it is probable that the site dates to the last half of the 19th century and there is a chance it may be associated with Chinese mining.
Hermes Number	10410
Property Number	

History

Heritage Inventory History of Site: No historical records have been found for this site.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
