History

Heritage Inventory History of Site: This winch line, known locally as the "High Lead", brought the tramway up and over from one river catchment to another. The opening of the High Lead in 1927 opened up the magnificent forests of the Ada River Valley. The site operated from 1926-42.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
