Statement of Significance

Last updated on - February 19, 1997

Statement of Significance

The Cameron house is historically significant, since it is amongst the oldest surviving farm buildings in the Sunshine area. Camerons' dairy farm, being on land rented from H.V. McKay, became progressively smaller as the surrounding land was sub-divided, but continued to supply milk to local people for some decades.

Heritage Study/Consultant	Brimbank - Brimbank City Council Post-contact Cultural Heritage Study, G. Vines, 2000;
Construction dates	1910,
Hermes Number	106378
Property Number	

Physical Description 1

Description

Part of H.V. McKay's Sunshine Estate. The Cameron House is a typical symmetric hipped roof Edwardian, with iron verandah. A dairy is thought to be at the rear.

Physical Conditions
