Heritage Inventory Site

## Heritage Inventory (HI) Number

H8123-0011

## Heritage Listing

Victorian Heritage Inventory

---

Hermes Number 10809

Property Number

---

## History

Heritage Inventory History of Site:

The alluvial workings probably date to the 1930s, but they also may relate to claims taken up on a lead discovered near Jamieson township in 1872. About 12 claims were taken up at that time and worked by shaft.
