History

Heritage Inventory History of Site:
Buneep first settled by O'Connor who built an inn on the west bank on the track from Melbourne to goldfields and Sale. Track constructed in 1847 with some type of dwelling there soon after. Township never really took off as road re-routed south in 1860's and a new Bunyip developed further south. A hut that existed at old Buneep remained until fires of 1839. The fate of O'connor's Buneep Hotel is unknown. Track very difficult in the region

and was extensively corduroyed. Current owner says that this was evident until the last few years.
