Heritage Inventory History of Site:

The Star Extended Amalgamated GMNL worked ground on west side of east branch of Ovens, near Baldy Creek, Harrietville, from 1922. The mine employed a 5-head Pelton wheel battery and operated until 1924. It reopened, without success, in 1933.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.

For further details about Heritage Overlay places, contact the relevant local council or go to Planning Schemes Online <http://planningschemes.dpcd.vic.gov.au/>
