History

Contextual History:History of Place:

Heritage Inventory History of Site:

PERSEVERANCE CO., Linton

18.02.1905: new alluvial mine on the site of the Cox's Freehold mine; shaft is 180 feet deep and the drive is in 200 feet; the old company had bored into payable wash when their plant was seized and sold; the new company has secured the plant of the No. 2 Plateau Co.

25.02.1905: tenders have been invited for the removal of the plant from the North West Estate mine at Pitfield to this mine.

13.05.1905: the horses are down for the winding engine, and the poppet legs and brace are erected.

28.10.1905: machinery completed and almost ready to commence operations.

09.12.1905: started baling.

09.06.1906: puddling a payable wash.

08.09.1906: Cornish flue boiler sold to the Glenloth Co. at Linton.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
