History

Contextual History:History of Place:

Heritage Inventory History of Site:

1932: original held under Lease No. 8032 by the South Consols Co.

1934: it subsequently became Lease No. 8356 which was held by a man named Baglan.¹

02.04.1934: the copy of a plan of the plant and machinery at the mine shows an engine driving the double drum winch, the pump and an electric lighting generator; the engine and winch are in one building, the engine silencer is in an adjoining room which is used as a changing room; the poppet head is approximately 60 feet high.; this plant is titled "Layout for Plant and Machinery for Invermay" with "Yellow Glen G.M. Coy, Smythesdale" pencilled next to the original title.

04.06.1935: the lease was transferred to the Yellow Glen Co. 1

03.03.1936: there were two prospecting shafts each 5 feet by 2 foot 6 inches and a main shaft which was 11 foot

by 4 foot. 1

15.06.1936: permission was obtained to suspend the work agreement, at which time expenditure included: £7176 6s 10d on wages, £5200 on plant and machinery, and £3000 on miscellaneous items. 1

10.06.1937: the lease lapsed. 1

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
