Heritage Inventory History of Site:

The Black Flat mining area contains a number of individual sites. The area was worked for gold from the 1870s. There were a number of mining operations, most of which are now located within the Warrandyte State Park; a few sites are on private land in Tills Road.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
