History

Lime deposits found in Waratah Bay in 1875 and six kilns were operating by 1878. Township established from 1878, kilns operated to 1924. During its heyday up to 50 families lived in the township and the surrounding area (1890s). Number declined after this period. School is probably associated with this township.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
