History

Station has longest history of the Nyora-Wonthaggi line. Was originally a station for San Remo (Griffiths Point) to Kilcunda Tramway of late 1800s. Station was one of the more significant of all on N-W railway and has moderate significance due to its additional role as tram station. Site abandoned and dismantled during the early 1980s. Not possible to determine the extent of archaeological remains due to lack of visibility.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
