Veterans Description for Public

The Rockbank Communications base was established around the Second World War as one of several navigation facilities used by the RAAF in conjunction with Point Cook Laverton Air Fields. It operated until the late 1980's when most of the equipment and radio masts were removed.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
