Heritage Inventory (HI) Number

H7822-0511

Heritage Listing

Victorian Heritage Inventory

Interpretation of Site

Part of the former bridge to the explosives factory. This feature is a component of the defence landscape of the area and one of three bridges that crossed to the Commonwealth Defence facilities at Horseshoe Bend.

Hermes Number	13856
Property Number	

History

A bridge linked the explosives factory to a disposal site across the river where waste from the factory was burnt and was used exclusively by the Commonwealth operation.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
