Statement of Significance

Last updated on - September 8, 2005

The site has probable archaeological deposits from the former boat maintenance activities (including possible slipways, leeway blocks and associated discarded relics), and has social significance for the fishing community of Queenscliff.

Hermes Number 14112

Property Number

History

This area was used as an informal area to careen cuta boats since the inception of the fishing industry in the 1860s, until at least when The Cut was installed in the 1930s, and possibly later.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
