Statement of Significance

Last updated on - October 27, 2005

The significance of the place relates to the early construction and development of stations along the Melbourne-Sydney Railway.

Interpretation of Site	Remains of the platform and structural material indicate the likelihood that sub-surface deposits exist below the surface.
Hermes Number	14241
Property Number	

History

Baddaginnie was opened for passenger traffic on 19th February 1882 and for goods travel on 2nd April 1883. The passenger platform was located on the down side and on a straight road, the only station on the main line to do so. (Turton 1973:46.) The goods platofrm and shed were located on the other side of the tracks. In 1890 Baddaginnie was opened as a staff and telegraph

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
