Memorial Window Description & History

The Honour Roll appears to have held the names of the servicemen from the church across three lights, each of which measured approximately 102 x 24 inches. The design prepared by Brooks, Robinson & Co. was unusually 'Australian', with the left hand light having a gumnut emblem and the right hand with wattle; the central light was based on the Vine. It was unveiled at 3.00 pm on 23 June 1946 in a ceremony performed by Chaplain-General, the Reverend CK Daws. The whereabouts of the window is unknown.
