Memorial Window Description & History

This modest window, set in the small porch of the Daylesford Anglican Church was designed by Jacob Valstar, working for WD Mason in Bendigo. Variations on the same theme were made by the same firm for memorial windows at Echuca and Kangaroo Flat. In the Daylesford windows, Flanders poppies were an additional symbol around the ribbon text.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
