Physical Description 1

The single storey, horizontal weatherboard, Federation Carpenter Gothic styled Geelong Aero building at 1411 - 1419 Barwon Heads Road is characterised by a gable roof form with skillion roofed extensions at either end. These roof forms are clad in unpainted, lapped galvanised corrugated iron. Wide overhangs and exposed rafters are features of the eaves. The early timber framed, pointed arch windows along the side facades are leadlighted. Early decorative features of the design include the gable infill stucco panelling and worked timber battening.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
