Physical Description 1

It is a symmetrical Italinate house, built in a rectangular plan, has three bays, with a central entance. It is rendered brick, with vermiculated quoins. A frieze has bracket pairs and a moulded cornice. the hip-roofed timber verandah extends along the front and right-hand side. The front windows are paired and the entrance has side and fan lights. There is a building at the rear; it is clad with corrugated iron, and may be former stables.
