Heritage Study/Consultant Manningham - Manningham Heritage Study Review, Context Pty Ltd, 2006;

Hermes Number 22532

Property Number

Physical Description 1

A relatively unpretentious weatherboard house, possibly 90-100 years old, with a corrugated metal roof and red-brick chimneys. The front door survives, but the windows have been replaced. There is no verandah. There are some mature trees on the edge of the site. The house faces away from the road toward Foote Street and so is difficult to assess from the street.

Physical Conditions

Condition Fair

Integrity

Integrity Altered - major alterations

Physical Description 2

Threats None apparent

Physical Description 3

Key elements

Building

Tree(s)
