Statement of Significance

Last updated on -

An unmarked lone grave site of local historical significance of Major Charles Newman and his family. Newman was the first settler of Templestowe in 1837, the builder of "Pontville" (c1845) and "Monckton" (1850s, now demolished).

Other Names	Major Charles Newman Lone Grave Site,
Hermes Number	22586
Property Number	

Physical Description 1

A beautiful site overlooking the Yarra Valley to the North and the Creek Valley to the East. There is a large pine shading an old dam.

Victoria has a large number of lone grave burials. Most are now unmarked, like this one. Those that are identifiable are "extremely significant". Examples are : James "Tally Ho" Taylor of Major Mitchell's party (1836) on the Broken River at Benalla; of Alexander Miller (1862) at Murrindindi, Yea; of Agnes Kistock (1847) Havey Park, Strathbogie; and of Eliza Archer (1847), Crooke Street, Lucknow at Bairnsdale. [6]

No threats known. The site should be sufficiently disinterred to determine whether it still holds the remains. If so, it should be identified and interpreted and protected from rabbits and stock.
