Statement of Significance

Last updated on -

Lip of intact cistern exposed by machinery when clearing site for development.

Archaeological Significance	Potentially significant as an indicator of previous land use where, it would seem, other evidence has been completely removed. It's location and intactness will now be preserved for a long period and its significance may increase as a consequence.
Hermes Number	23001
Property Number	

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
