Statement of Significance

Last updated on -

The house at no. 19 Grandview Street, Moonee Ponds, was built in 1889. It is aesthetically distinguished (Criterion E) by its use of ornamental tiles, especially to the window panels and the frieze. It is representative of the more elaborate villas erected on the high ground at Moonee Ponds during the late Victorian period (Criterion A), the villa's importance in both respects being enhanced by its intact state.
