Statement of Significance

Last updated on -

The terraced row at 6-10 Glance Street, Flemington, was built in 1890 for the engineer, Robert Kirkwood, presumably as an investment. They are representative examples of their period and survive today as a substantially intact group, recalling the growth sustained in the area as a consequence of the presence of the

Essendon railway (Criterion A).

Heritage Study/Consultant Moonee Valley - City of Moonee Valley Heritage Study, Andrew Ward, 1998;
Construction dates 1890,
Other Names Houses: 'Carbine' (no. 6), 'Lochiel' (no.8), 'Mentor' (no.10),
Hermes Number 23843
Property Number

Physical Description 1

A single storeyed late Victorian boom period three dwelling terrace in bi chrome brick with brown body bricks and cream dressings, the above verandah treatment being in stucco with decorated pediments to the parapets with the names "Carbine", "Lochiel" and "Mentor" in raised cement work. There are double palisade cast iron fences and cast iron verandahs to the property line.

Condition: Sound. Integrity: High lacework missing from the verandah to no. 6 (since replaced with a different pattern)

Historical Australian Themes

4. Building settlements, towns and cities. 4.1.2. Making suburbs (Flemington).

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
