Statement of Significance

Last updated on -

The former manse at no. 165 Mount Alexander Road, Flemington, was built presumably in 1875 for the Wesleyan Church. It is historically important for its association with the Wesley, later Methodist, Church (Criterion A) and is aesthetically distinguished (Criterion E) by the use of polychrome brickwork, forming a pair with the former Wesley Church alongside.

Heritage Study/Consultant	Moonee Valley - City of Moonee Valley Heritage Study, Andrew Ward, 1998;
Construction dates	1875,
Other Names	House,
Hermes Number	23847
Property Number	

Physical Description 1

A substantial asymmetrical two storeyed polychrome villa with hipped slate roof and triangular arches to the windows, the strength of the composition resting in the use of patterned brick surfaces.

Condition: Sound. Integrity: High.
