Physical Description 1

The plaque is fixed onto an untooled section of locally quarried bluestone, which is resting on the ground. The bronze plaque is recessed into a broad face of the rock. The plaque was erected by the local citizens and their elected local government, to celebrate Australia's Bicentennial of white settlement.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
