Statement of Significance

Last updated on -

Site has local significance for its association with the early settlement of the Yandoit Creek area following the gold rushes of the 1850s. It has archaeological potential.

| | |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Interpretation of Site | This appears to be a domestic site possibly with associated dairy. Antonio Pavich owned the land prior to 1898. The Yandoit Creek Diggings site is partially on the same parcel. |

History

Antonio Pavich owned the land on which this sited is located. It is not known when he purchased it but it was prior

to 1898. The Yandoit Creek Diggings site is located partially on the same land (Allotment 10).

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
