The Albion Viaduct is included on the Victorian Heritage Register as a place of State significance. Please refer to the VHR citation for the statement of significance.

Heritage Study/Consultant	Moonee Valley - City of Moonee Valley Gap Heritage Study, Heritage Alliance, 2005;
Construction dates	1927,
Other Names	Quartermile Bridge,
Hermes Number	29769
Property Number	

Physical Description 1

Known locally as the 'Quartermile' bridge on account of its length, the span is actually slightly less than quarter of a mile long, measuring 1,257 feet (383.13 metres) between abutments. Elevated 180 feet (54.86 metres) above water level, the bridge comprises two steel girders supported on twelve K-braced steel-framed towers.

Historical Australian Themes

THEMATIC CONTEXT

3.8.6 Building and maintaining railways
