Statement of Significance

Last updated on -

An impressive church in red brick with cement tracery, designed by North & Williams and built in 1921-22. The design is of particular interest for its imaginative use of brickwork, elaborate window tracery, sweeping roofs and bold massing. The church comprises a broad nave, aisle, chancel, vestries and imposing facade incorporating a deeply soffited arch and flanking towers.

Heritage Study/Consultant	Stonnington - Victorian Churches: Their Origins, their story and their architecture, John Maidment, Anne Neale, Walter Phillips, 1991;
