Statement of Significance

Last updated on -

The Toorak Road area is important for its groups of intact commercial buildings which form intact streetscapes along several stretches of the road. Although much of the other commercial development is not so intact, its scale and form (especially towards Punt Road) make a uniform, low-scale shopping centre with no intrusive high-rise developments. The area is also enhanced by a number of individual buildings of significance especially the former South Yarra Post Office, Lee Terrace (6-18 Avoca Street) and the early residences nearby in Caroline Street and Avoca Street.
