Statement of Significance

Last updated on -

"Glenmoore" is locally significant as a surviving mid nineteenth century villa residence with grounds in the then fashionable bi-chromatic brick form. It is also important as the home of Hugh Moore who built several shops in nearby Glen Huntly Road and which remains as important contributors to the architectural character of the Elsternwick Shopping Centre.

Physical Description 1

An imposing two storeyed villa in bichrome brick with two storeyed timber posted verandah, coupled with cast iron lace frieze, spandrels and central tympanum enrichment. The hipped roof is in slate and has a prominent cream brick chimney stack forming part of the facade. Openings are flat arched although the entrance is round arched with a fan light. The south elevation has bayed windows. Two storeyed hip roofed additions are sympathetic and attached on the north side and at the rear. Inside, the staircase and stained glasswork with initials "HM" and family coat of arms are important surviving elements.

Physical Description 2
