Statement of Significance

Last updated on -

Local significance. Network values as part of the State Coal Mine complex, Wonthaggi, may elevate significance.

Interpretation of Site	Access to sites on private property was not able to be arranged so the fabric was not investigated in detail. The visible fabric conveys that this was a large-scale underground coal mining operation.
Hermes Number	44003
Property Number	

History

The mine appears to be No 16 shaft of the State Coal Mine, Wonthaggi, but known locally as the Dudley Mine. It operated from 1925-1938, producing just under 2 million tons of coal from two levels.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.

For further details about Heritage Overlay places, contact the relevant local council or go to Planning Schemes Online <http://planningschemes.dpcd.vic.gov.au/>
