Municipality

WHITEHORSE CITY

Level of significance

Local

Victorian Heritage Register (VHR) Number

H2010

Heritage Listing

National Trust

Statement of Significance

Last updated on - April 23, 2007

A small rectangular colonial Georgian chapel of local Koonung Creek stone dating from 1856 and displaying a very early use of cream brick in the quoins and voussoirs. The porch, and possibly the parapet, appear to be of later date. The building is significant locally for its association with many of Box Hill's early settlers and the history of the town.

Original classification: 23/11/1961

Reclassified: 22/11/1973

Upgraded classification: 11/12/1986

Revised Classified: Local: 03/08/1998
