
Eucalyptus delegatensis

Location

Big River Road,, GOONGERAH VIC 3888 - Property No T11045

Municipality

EAST GIPPSLAND SHIRE

Level of significance

State

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 7, 2004

Particularly old
Outstanding size

An uncommon species in Victoria, this tree appears to be the oldest example in the region. The tree has numerous dead 'stags' along the trunk and crown. Whilst the trunk circumference measures 13m, the live tissue has a breadth of only 6m. This tree is presumably the parent plant of about eight other trees surrounding it. The tree is located on Ellery Creek walking track, 0.5km from Big River Road.

Measurements: 22/03/1997
Spread (m): 13
Girth (m): 13
Height (m): 47
Estimated Age (yrs): 500
Condition: Good

Access: Unrestricted
Classified: 10/04/1997

Other Names Alpine Ash,

Hermes Number 70553

Property Number
