Location

Moglonemby Road,, VIOLET TOWN VIC 3669 - Property No T11205

Municipality

STRATHBOGIE SHIRE

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 16, 2008

Curious Growth Form:

This stand consist of three serpentine trees which have all fallen over to produce a labyrinth of limbs. The trees appear to have taken root in a number of places where it touches the ground supporting the host root system. Grazing occurs beneath these trees on the lower perimeter branches which should be discouraged. This tree is located on the corner of Murchison-Violet Town Road and Moglonemby Road, 15km west of Violet Town, SW corner.

Measurements: 15/03/1997

Spread (m): 46

Girth (m): 9.2
