State

Heritage Listing

National Trust

Statement of Significance

Last updated on - July 5, 2004

Outstanding size
Outstanding example of species
Outstanding specimen

The land was settled in the 1920s by the Williams family who operated a nursery until the 1960s. The nursery was operating at its peak in the 1950s and was purchased by the State Government in 1984. The site has many fine exotic and rare or uncommon trees. This impressive *Sequoia sempervirens* is an outstanding specimen displaying exceptional form. The tree has an almost perfect cone-shaped crown which extends close to the ground. This tree is the tallest recorded in Victoria, the closest tree being at Aire River (43.5m) and Bright Golf Club (42.8m). The tree is amongst the finest of its type in Victoria and of high landscape value. The side branches and structure of the tree is impressive. It is in good condition and displays good vigour.

Measurements: 08/12/1999

Spread (m): 21

Girth (m): 6.65

Height (m): 52

Estimated Age (yrs): 80

Condition: Good

Access: Unrestricted

Classified: 08/12/1999

Other Names Coast Redwood,

Hermes Number 71519
