National Trust

Statement of Significance

Last updated on - July 6, 2004

Contribution to the landscape of historic park

Rare or localised

Particularly old

Outstanding size

Outstanding example of species

The tree is a sizeable example of this species which may be a remnant planting given its close proximity to the coast. It makes a significant contribution to the golf course landscape.

Royal Melbourne Golf Course is the oldest course in Australia and moved to its present site in 1931.

Measurements: 12/2003

Spread (m): 9
