History

Heritage Inventory History of Site: Unknown. Possibly dated from 1850s to 1880s when stone wall building at peak, although stone walls are still being built by contemporary farmers. Site on land listed as belongin to JT Hughes and J Hosking from 1838 to end of century - leased and subdivided during their ownership. Much of the stone has apparently been removed.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
